Now the program switches back to the login screen and you can log in again.

You are now registered. However, you cannot yet register for a run, as you must first complete your personal profile.

This is why your profile page is called up the first time you log in to the program.

In this screen mask you fill in as many fields as possible. The fields with an asterisk (*) are mandatory, the other fields are optional. However, they will be required later for additional evaluations.

In the lower blue area you can change your password again. This is not really necessary, as you have already set a password.

The lower grey area is only important for team leaders. A team leader can create and manage a team. He can add new members or delete old ones that are already on the list and he can also register his whole team for a run. (More about this in the area Manage Teams.)

Please check this checkbox only if you are a team leader!

These chapters will follow shortly.

5. The teams

a. General information

A team consists of the team leader and any number of team members. A team leader can manage several teams. He can add or delete participants to his team. Important: The team leader and each individual member of a team must first register and fill out their profile. The team leader is not authorized to create another participant and his profile. (GDPR)
Teams are evaluated separately in the evaluations. The team participants are also evaluated individually.

b. The team leader

When the team leader creates his profile, he confirms in the following screen that he is going to become team leader.

Bundesland
Nordrhein-Westfalen

Land *
Deutschland

 **Newsletter**
STAY TUNED!

Wir informieren Dich über unsere Spendenprojekte und die nächsten Aktionen!

als Teamleader eigene Teams verwalten **I'm a teamleader**

Dein Passwort wird nur geändert wenn du es hier bearbeitest, andernfalls lass es einfach leer.

Passwort Passwort bestätigen

Muss min. 8 Zeichen lang sein.

Speichern

To do so, he confirms that he wants to manage his own teams as team leader by clicking on the checkbox above. Afterwards he saves his entries by clicking on the "Save / Speichern" button.

Now the following screen mask appears:

The screenshot shows a user profile form with the following elements:

- Bundesland:** A dropdown menu with "Nordrhein-Westfalen" selected.
- Land *:** A dropdown menu with "Deutschland" selected.
- Newsletter:** A yellow banner with a "Newsletter STAY TUNED!" icon and a checked checkbox for "Wir informieren Dich über unsere Spendenprojekte und die nächsten Aktionen!".
- Team Management:** A grey bar with a checked checkbox for "als Teamleader eigene Teams verwalten", a button "Teams verwalten" with a group icon, and a button "Edit Teams". A tooltip "I'm a teamleader" is visible over the checkbox.
- Password Fields:** A light blue section with the instruction "Dein Passwort wird nur geändert wenn du es hier bearbeitest, andernfalls lass es einfach leer." and two input fields labeled "Passwort" and "Passwort bestätigen". A note below says "Muss min. 8 Zeichen lang sein."
- Save Button:** An orange button labeled "Speichern" with a save icon.

In the team leader area the team leader will now find the button "Manage Teams / Teams verwalten".

When you click this button, the following screen mask appears:

The screenshot shows the team management page with the following elements:

- Navigation Bar:** A black bar with the 7CRUN.com logo and menu items: "Dashboard", "Profil", and "Teams".
- Team Header:** The word "Team" is displayed.
- Message:** A light blue box containing the text "Es wurde bisher kein Team angelegt." and "You haven't created a team yet".
- Create Team Button:** An orange button labeled "+ Team anlegen" with a plus icon.
- Tooltip:** A grey tooltip labeled "Create a Team" is positioned over the "+ Team anlegen" button.

Now the team leader can create his team. In the upper menu bar he now also finds the menu item "Teams".

In the following the team leader can call up his team administration via this menu item.

By clicking on the button "Create team / Team anlegen" the following screen mask appears:

The screenshot shows the 'Team anlegen' (Create Team) form. At the top, there is a navigation bar with the 7CRUN.com logo and menu items: Dashboard, Profil, and Teams. The main heading is 'Team anlegen' with a sub-heading 'Create a Team'. Below this, there are two input fields: 'Name' with the value 'Team Mustermann' and 'Beschreibung' with the value 'description'. The description field contains the text: 'Das Team Mustermann besteht aus den Teilnehmern der Firma Muster. Wir freuen uns mit unserem Team an dieser Challenge teilnehmen zu können.' At the bottom, there are two buttons: 'Anlegen' (orange) and 'create' (grey).

Here you choose your team name and enter a description of the team.

Clicking on the "Create / Anlegen" button creates the team in the system.

The screenshot shows the 'Team bearbeiten' (Edit Team) form. At the top, there is a navigation bar with the 7CRUN.com logo and menu items: Dashboard, Profil, Teams, Administration, Hilfe, and Ausloggen. The main heading is 'Team bearbeiten' with a sub-heading 'Edit your team'. Below this, there is a green success message: 'Team erfolgreich bearbeitet. Team created successfully'. Below the message, there are two input fields: 'Name' with the value 'Mustermann Team' and 'Beschreibung' with the value 'Das Team der Firma Mustermann freut sich auf die Teilnahme an der 7CRUN Challenge.' At the bottom, there are three buttons: 'Bearbeiten' (orange), 'edit participants' (grey), and 'Add participants' (grey). Below the 'edit participants' button, there is a sub-button 'Teilnehmer verwalten' (orange). Below the 'Add participants' button, there is a sub-button 'Teilnehmer hinzufügen' (orange).

Now the team leader can "Edit / Bearbeiten" the team, "Edit participants / Teilnehmer bearbeiten" or "Add participants / Teilnehmer hinzufuegen". "Edit / Bearbeiten" here means that the team leader can still correct the name of the team or its description.

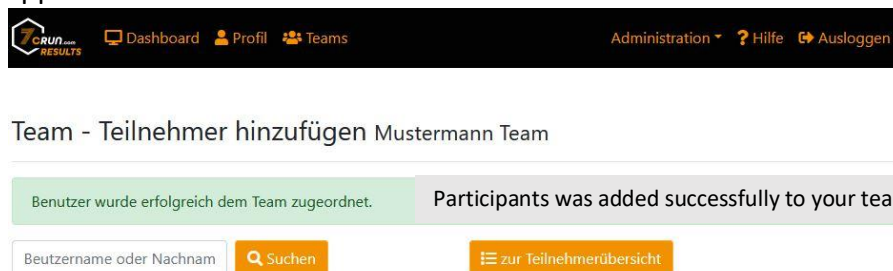

When you click on the "Add participant / Teilnehmer hinzufuegen " button, the following screen mask appears:

In the search field, the team leader enters the user names of the participants.

Tip: The team leader should ask the participants to give him/her their user names or last names before creating his/her team. He can search for the corresponding participant using these two names.

If a participant has been successfully assigned to the team, the following screen mask appears:

If you click on the button "To the participant overview / Zur Teilnehmeruebersicht", the screen mask with the individual team members will appear:

From the list of runs the team leader chooses the desired run and clicks on "Register / Anmelden". Afterwards the above screen mask appears. The team is now assigned to the

run with each individual participant. If a participant has already registered for the run in advance, this registration is skipped, as can be seen in the message above. However, this participant is registered for the team as well.

In the menu above, the team administration can also be called up with the menu item "Teams". The following screen mask appears:

The screenshot shows the 'Teams' management page in the 7CRUN.com system. At the top is a dark navigation bar with the 7CRUN RESULTS logo, 'Dashboard', 'Profil', and 'Teams' menu items on the left, and 'Administration', 'Hilfe', and 'Ausloggen' on the right. Below the navigation bar, the page title 'Team' is displayed. Underneath is a section titled 'Übersicht' (Overview) containing a table with columns for 'Name', 'Erstellungsdatum' (Creation Date), and 'Aktion' (Action). One team, 'Mustermann Team', is listed with a creation date of '22.06.2020'. To the right of the team name is a set of four orange action buttons: a list icon, a plus sign, an edit icon, and a delete icon. Below the table is an orange button labeled '+ Team anlegen' (Create Team).

The team leader can now create another team. This team cannot be a member of an existing team. The following further actions are possible: The participant list can be called up. A participant can be added to the team. The team name can be edited.

The entire team can be deleted.

5. Plugins and tools

Google Web Fonts

This site uses so-called web fonts, which are provided by Google, for the uniform display of fonts. When you call up a page, your browser loads the required web fonts into its browser cache in order to display texts and fonts correctly.

To do this, the browser you are using must connect to Google's servers. This enables Google to know that this website has been accessed via your IP address. The use of Google WebFonts is based on art. 6, § 1, letter f GDPR. The website operator has a legitimate interest in the uniform presentation of the typeface on his website. If consent has been requested (e.g. consent to the storage of cookies),

processing will be carried out exclusively on the basis of art. 6, § 1, letter a GDPR; consent may be revoked at any time.

If your browser does not support web fonts, a standard font will be used by your computer.

Further information on Google Web Fonts can be found at

<https://developers.google.com/fonts/faq> and in the Google privacy policy:

<https://policies.google.com/privacy?hl=de>.

Google reCAPTCHA

We use "Google reCAPTCHA" (hereafter "reCAPTCHA") on this website. The provider is Google Ireland Limited ("Google"), Gordon House, Barrow Street, Dublin 4, Ireland.

The purpose of reCAPTCHA is to check whether the data input on this website (e.g. in a contact form) is done by a human being or by an automated program. For this purpose, reCAPTCHA analyses the behaviour of the website visitor based on various characteristics. This analysis starts automatically as soon as the website visitor enters the website. For analysis purposes, reCAPTCHA evaluates various information (e.g. IP address, time spent on the website or mouse movements made by the user). The data collected during the analysis is forwarded to Google.

The reCAPTCHA analyses run completely in the background. Website visitors are not informed that an analysis is taking place.

The storage and analysis of the data is based on art. 6, § 1, letter f GDPR. The website operator has a legitimate interest in protecting his web offers from abusive automated spying and from SPAM. If consent has been requested (e.g. consent to the storage of cookies), processing will be carried out exclusively on the basis of art. 6, § 1, letter a GDPR; consent may be revoked at any time.

Further information on Google reCAPTCHA can be found in the Google Privacy Policy and the Google Terms of Use at the following links:

6. eCommerce and payment providers

Processing of data (customer and contract data)

We collect, process and use personal data only to the extent that they are necessary for the justification, content or modification of the legal relationship (inventory data). This is done on the basis of art. 6, § 1, letter b GDPR, which permits the processing of data for the fulfillment of a contract or pre-contractual measures. We collect, process and use personal data on the use of this website (usage data) only to the extent necessary to enable or charge the user for the use of the service.

The collected customer data will be deleted after completion of the order or termination of the business relationship. Legal retention periods remain unaffected. Data transmission upon conclusion of contract for online shops, dealers and dispatch of goods
